Note to students: The WSET Level 3 Wine-Lexicon is designed to be a prompt and a guide which you do not need to memorise. You can pass the tasting examination with distinction if you use the descriptors in the Wine-Lexicon but you do not need to limit yourself to these terms and the examiners will accept other descriptors so long as they are accurate.

Systematic sampling is a statistical method involving the selection of elements from an ordered sampling frame. The most common form of systematic sampling is an equiprobability method. In this approach, progression through the list is treated circularly, with a return to the top once the end of the list is passed.
