The SAT is typically taken by high school juniors and seniors. The College Board states that the SAT measures literacy, numeracy and writing skills that are needed for academic success in college. They state that the SAT assesses how well the test takers analyze and solve problems – skills they learned in school that they will need in college [citation needed].

The University of California, Davis (also referred to as UC Davis), is a public research university and land-grant university adjacent to Davis, California. It is part of the University of California (UC) system and has the third-largest enrollment in the UC System after UCLA and UC Berkeley. The institution was founded as a branch in 1909 and became its own separate entity in 1959.
