Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals  
Updated December 2017 I. About the Recommendations

### **Annotations are inserted here to assist in identifying**

Editing is the process of selecting and preparing written, visual, audible, and film media used to convey information. The editing process can involve correction, condensation, organization, and many other modifications performed with an intention of producing a correct, consistent, accurate and complete work.

General. Fox News has been alleged by academics, media figures, political figures, and watchdog groups of having Republican Party bias in their news coverage as well as perpetuating more general views of a conservative bias. Fox News has publicly denied such charges, stating that the reporters in the newsroom provide separate, neutral reporting, while acknowledging their opinion programming is ...
