Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

Adult literacy can change everything. Health. Gender equality. Poverty. Every important social issue is impacted by low literacy. When individuals learn how to read, write, do basic math, and use computers, they have the power to lift themselves out of poverty, lower health care costs, find and keep sustainable employment, and ultimately change their lives.
