What is the myMemphis Portal? The myMemphis Portal myMemphis is the University's initiative to integrate administrative and educational functions campus-wide. The myMemphis Portal is an online tool that allows users to access many University services from one location. In addition, the portal offers personalized content and individual customization.

### **Introduction to the myMemphis Portal**

The portal vein supplies 70% of the blood flow to the liver, but only 40% of the liver oxygen supply. The remainder of the blood comes from the hepatic artery, and blood from both of these vessels mixes in the sinusoids. The liver receives a tremendous volume of blood, on the order of 1.5 liters per minute.
