Quo Vadis: A Narrative of the Time of Nero, commonly known as Quo Vadis, is a historical novel written by Henryk Sienkiewicz in Polish. "Quo vadis, Domine?" is Latin for "Where are you going, Lord?" and appears in Chapter 69 of the novel in a retelling of a story from the apocryphal Acts of Peter, in which Peter flees Rome but on his way meets Jesus and asks him why he is going to Rome.

Narrative theory distinguishes between the theme of a story and its form or "telling". This idea is central to Narrative Psychology, where narrative is proposed as a way of understanding cognition (Bruner, 1986, Bruner, 2004) and the concept of narrative templates (Wertsch, 2002) is used to explain underlying regularities in how collective memories/accounts are structured and expressed.

Le maggiori produzioni di questo genere cinematografico vennero realizzate già negli anni dieci del XX secolo, e successivamente a partire dagli anni cinquanta. Tra la fine degli anni quaranta e i cinquanta il genere si sviluppò soprattutto negli Stati Uniti d'America, raggiungendo l'apice negli anni sessanta, per poi essere abbandonato nel decennio successivo.

A case of false advertising! Catholic Family News and the 100% Challenge. After the passing of John Vennari earlier this year, the new editor of the semi-traditionalist, recognize-and-resist flagship publication Catholic Family News (CFN) is Matt Gaspers. With Gaspers taking over the reins, CFN completely redesigned its web site, and the new version was launched just a few weeks ago.
