considerably less experienced-engineering input into their design and operation than either regulated

Gathering System Rules of Thumb - MuleShoe Eng

The English phrase rule of thumb refers to a principle with broad application that is not intended to be strictly
accurate or reliable for every situation. It refers to an easily learned and easily applied procedure or standard,
based on practical experience rather than theory. This usage of the phrase can be traced back to the
seventeenth century, and has been associated with various trades ...

The D&D Basic Rules document is divided into three parts. Part 1 is about creating a character, providing the rules and guidance you need to make the character you™ play in the game. It includes information on the various races, classes, backgrounds, equipment, and other customization options that you can choose from.

Player's Basic Rules | Dungeons & Dragons

A general guideline, rather than a strict rule; an approximate measure or means of reckoning based on experience or common knowledge. The usual rule of thumb says that to calculate when an investment will double, divide 70 by the interest rate. c. 1935, Ogden Nash, "Reflection on Ingenuity" in Verses from 1929 On (1959): Here's a good rule of ...
