Background. Conducting European research policies and implementing European research programmes is an obligation under the Amsterdam Treaty, which includes a chapter on research and technological development. The programmes are defined by Commission civil servants that are aided by various official advisory group and lobby groups.

Framework Programmes for Research and Technological

Rural poverty refers to poverty in rural areas, including factors of rural society, rural economy, and rural political systems that give rise to the poverty found there. Rural poverty is often discussed in conjunction with spatial inequality, which in this context refers to the inequality between urban and rural areas. Both rural poverty and spatial inequality are global phenomena, but like ...
