Corruption. It is an overloaded word often used as the sole cause of the problems in poor countries. Yet, corruption seems to be everywhere, indeed often encouraged by rich countries and their corporations, especially when it comes to natural resources, and arms trade.

Corruption " Global Issues

After many years of using a green identity book with limited security features that permitted identity theft and fraud, South Africa is finally upgrading to what it calls a "smart ID card"™, on a par with identity systems in Europe, Asia and America.
