

the belief in immortality pdf

In Christian theology, conditionalism or conditional immortality is a concept in which the gift of immortality is attached to (conditional upon) belief in Jesus Christ. This doctrine is based in part upon another theological argument, that the human soul is naturally mortal, immortality ("eternal life") is therefore granted by God as a gift. This viewpoint stands in contrast to the more popular ...

Immortality is eternal life, being exempt from death, unending existence. Some modern species may possess biological immortality.. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...
