Birth control, also known as contraception and fertility control, is a method or device used to prevent pregnancy. Birth control has been used since ancient times, but effective and safe methods of birth control only became available in the 20th century. Planning, making available, and using birth control is called family planning. Some cultures limit or discourage access to birth control ...

Birth tourism is the practice of traveling to another country for the purpose of giving birth in that country. The main reason for birth tourism is to obtain citizenship for the child in a country with birthright citizenship (.).Such a child is sometimes derogatorily called an "anchor baby" if their citizenship is intended to help their parents obtain permanent residency in the country.
