India seems pretty badass with Jaguars, leopards whatever they're called, big cobras they call the 20 step snake or some shit, plague carrying rats that chew through concrete, mad elephants that can fuck up a car, bugs with venom that will haunt you 20 years after you survive the first bite.

TIL of Black Kite 'Firehawks' which are birds that
John Ketch (died November 1686), generally known as Jack Ketch, was an infamous English executioner employed by King Charles II. He became famous through the way he performed his duties during the tumults of the 1680s, when he was often mentioned in broadsheet accounts that circulated throughout the Kingdom of England.He is thought to have been appointed in 1663.
