Legislating Immigrants The Immigration Act of 1882. Prior to the 1880â€™s, there were very few restrictions on immigration into the United States. Starting in the 1870â€™s, though, the federal government faced increasing pressure from the American people to restrict the flow of immigrantsâ€”particularly Chinese laborers entering into California.

Healthy marine species like whales, sea turtles, coral, and salmon are important for maintaining balanced and thriving ocean ecosystems. We work to prevent marine species populations from decline and extinction, protect them from human activities, and monitor activities that might impact them so they are around for future generations.
