Wolterstorff's focus on social justice ... drafts is my own voice. There are number of people I would like to thank, for

A Levinasian Ethics for Education's Commonplaces

In Upsetting Composition Commonplaces, Ian Barnard argues that composition still retains the bulk of instructional practices that were used in the decades before poststructuralist theory discredited them. While acknowledging that some of the foundational insights of poststructuralist theory can be difficult to translate to the classroom, Barnard upends several especially intransigent tenets that continue to influence the teaching of writing and how students are encouraged to understand writing.
