thought. It should not be regarded as a scholarly translation, which, in the case of the Dao de jing, would involve a great deal of analysis concerning the variant versions of the text now available, both traditionally received versions and the archeologically recovered version mentioned in the Introduction.

Dao de jing - Indiana University Bloomington

Selections from the Laozi (Daodejing) 1. The Way that can be spoken of is not the constant Way; The name that can be named is not the constant name. The nameless is the beginning of Heaven and Earth; The named is the mother of all things. Thus be constantly without desire, so as to observe its subtlety.
