Over 1990â€“2017 all regions and human development groups have made substantial progress. The global HDI value in 2017 was 0.728, up about 21.7 percent from 0.598 in 1990. Across the world, people are living longer, are more educated and have greater livelihood opportunities.

Human Development Reports | United Nations Development

Sustainable development is the organizing principle for meeting human development goals while at the same time sustaining the ability of natural systems to provide the natural resources and ecosystem services upon which the economy and society depend. The desired result is a state of society where living conditions and resource use continue to meet human needs without undermining the integrity ...

Edumine provides online courses, short courses and live webcasts in support of professional development and training for the mining industry.

Edumine - Professional Development and Training for Mining

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
