Ghost hunting is the process of investigating locations that are reported to be haunted by ghosts. Typically, a ghost-hunting team will attempt to collect evidence supporting the existence of paranormal activity. Ghost hunters use a variety of electronic devices, including EMF meters, digital thermometers, both handheld and static digital video cameras, including thermographic and night vision ...

A ghost ship, also known as a phantom ship, is a vessel with no living crew aboard; it may be a ghostly vessel in folklore or fiction, such as the Flying Dutchman, or a real derelict found adrift with its crew missing or dead, like the Mary Celeste. The term is sometimes used for ships that have been decommissioned but not yet scrapped, as well as drifting boats that have been found after ...
