the statistics and gazeteer pdf

A gazetteer is a geographical dictionary or directory used in conjunction with a map or atlas. It typically contains information concerning the geographical makeup, social statistics and physical features of a country, region, or continent. Content of a gazetteer can include a subject's location, dimensions of peaks and waterways, population, gross domestic product and literacy rate.

Publication history. Kenzer & Company received many requests from fans of the comic to produce an actual HackMaster game, but initially they thought that licensing Dungeons & Dragons would be impossible. In 1999 the Dragon Magazine Archive software was published where Wizards of the Coast failed to get permission to reprint many of the original articles such as the Knights of the Dinner Table ...
