McGraw Hill Higher Education

Valencia is famous for its wine production; many of its wines are exported overseas for use in restaurants, or for personal use. Valencia's weather climate and soil consistencies form the perfect conditions for wine production. Wine is a delicacy to be served with meals and on special occasions.

Valencian Wine - onlinezfz.net

Online courses teach the same material as classes on-campus and require just as much work. The only difference is that everything—from lectures and group discussions to homework and tests—is done online. Students who enroll in online courses have access to the same resources as all Valencia students.
